RE: CERTIFICATION TO CSA STANDARD W47.2

We are pleased to advise that effective **January 25, 2017, Kilmarnock Enterprise (Trenton)** in Trenton, ON, has been certified **in Division 2** under CSA Standard W47.2 "Certification of Companies for Fusion Welding of Aluminum". A Certificate has been prepared and is enclosed.

Also, please find enclosed a Letter of Validation, which is valid to the anniversary date of your company's application for certification.

Companies that obtain certification to the CSA Welding Standard are given permission to use the Canadian Welding Bureau's certification mark in their advertising and promotional materials.

An electronic version of the CWB's certification mark may be obtained by contacting the Registrar. Our representatives will continue to periodically visit your company to verify its conformance to the Standard and to provide other services related to the maintenance of your company's certification.

Congratulations to you and your staff for their efforts in meeting the requirements of the Standard.

If you have any questions please call me.

Yours very truly,

CANADIAN WELDING BUREAU

I.S. Jaswal
